

NEW CABLES 2025 + WITH 111 REFERENCES

A COMPLETE RANGE WITH 2890 REFERENCES

Dear customers and partners,

We are pleased to announce the launch of 111 new SEIM cable references, an important update designed to better meet market developments.

WHY CHOOSE A SEIM CABLE?

1 ONE OF THE WIDEST RANGES ON THE MARKET

With more than 111 references, our range is among the most comprehensive on the market. To keep up with market trends, we develop over 100 new references every year.

2 CERTIFIED QUALITY

Quality is at the heart of our commitments. SEIM cables are made with high-quality materials to provide you with optimal durability and reliability.

3 TECHNICAL SUPPORT

Our technical service is available to provide you with fast and personalized assistance.

We invite you to visit our website to discover all our new references. Our team remains at your disposal for any additional information.

Best regards,
The Marketing Team
